Comments	<input type="text" value="I support the proposed development of the Oxford United Stadium in Kidlington.

Without this development, Oxford United could face homelessness by 2026. As a vital part of our community, it is imperative that the necessary steps are taken to secure the future of our beloved football club.

By doing so, you can facilitate the next stages of Oxford United securing a permanent home where it can thrive for years to come and delivering a landmark stadium the county can be proud of that will benefit the entire community"/>
