<b>Comments</b>	<input type="text" value="I feel very happy if this goes ahead as without this move then we have no football club. We as a family enjoy going to support our local club and it's bring everybody together from all walks of life. I feel that they have thought about everything and it will boost our economy of kidlington . Please support the application of the new ground not just for me and my football family but for everyone in the football family in Oxfordshire."/>
