<b>Comments</b>	<input type="text" value="am writing to express my strong support for the proposed development of the new Oxford United stadium at The Triangle.&lt;br/&gt;&lt;br/&gt;As someone who has been actively involved in men's football in the area and has played cricket for Kidlington, I understand firsthand the importance of having adequate sports facilities. Unfortunately, the current facilities in Kidlington are subpar and fail to meet the needs of the community.&lt;br/&gt;&lt;br/&gt;Additionally, as a keen marathon runner, I recognize the value of quality sporting infrastructure in promoting health and fitness within our community. The proposed stadium not only promises to provide state-of-the-art facilities for football enthusiasts but also holds the potential to support various athletic endeavors, including running events and training programs.&lt;br/&gt;&lt;br/&gt;The development of the new Oxford United stadium at The Triangle represents an exciting opportunity to enhance the sporting landscape of our region. It will not only benefit local sports clubs and organizations but also contribute to the overall well-being and vitality of the community.&lt;br/&gt;&lt;br/&gt;As someone deeply invested in the local sports scene, I wholeheartedly endorse this initiative and urge you to support the development of the new Oxford United stadium at The Triangle. Together, we can create a legacy that will enrich the lives of present and future generations.&lt;br/&gt;&lt;br/&gt;Thank you for considering my perspective."/>
