<b>Comments</b>	<input type="text" value="As a Kidlington resident living within walking distance of the proposed stadium site I wish to register my strong objection to this proposal. The green belt is vital in so many ways and to sacrifice the triangle for such an unnecessary development is unforgivable. Whilst I understand that OUFC hope that supporters will arrive by train or use Parkway parking in reality the south of the village will become inundated with cars on match days. The stadium and hotel will bring no benefits to the village shops and high street. Those using the hotel will head to the city and supporters will have no reason to visit our shops. As I understand OUFC will not be homeless and can continue to use the Kassam Stadium. This proposed development is unnecessary and will cause irreparable damage and negative effects on the village. Please reject this proposal."/>
