Address	<input type="text" value="6 Deaufort Close, Kidlington, OX5 2BQ"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input and="" be="" been="" built="" case="" false="" has="" homeless"="" indicative="" is="" of="" present.<br="" shown="" stadium="" the="" they="" to="" type="text" unless="" value="We wish to register a strong protest against the proposal to build a football stadium and an hotel on land adjacent to Kidlington Roundabout.

The site is totally unsuitable for such a development not only in itself but in its proximity to Kidlington village. Roads in and around Kidlington already carry an ever-increasing amount of traffic and the building of a 16,000 capacity stadium can only add to this. Given the limitations of public transport, it is inevitable that most supporters will use their own vehicles to access the stadium and since there is limited parking available, vehicles will obviously be parked in the village. The air and noise pollution, and safety issues this would cause would be very considerable.

Given the environmental damage to inhabitants of Kidlington and to wild life on the proposed site itself which the development would cause, it is impossible to justify it. The Club's claim that it will be " weak=""/> Planning permission for this entire proposal should be refused without further delay."/>
