| Type of Comment | <input type="text" value="Comment"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="As an Oxfordshire resident for many years I want to register my total support for this application. The new stadium is an unmissable opportunity for the county. The development will bring jobs and facilities for the community and will be sustainable. It will be a great improvement on the Kassam Stadium not only as the stadium for Oxfordshire but through improved public transport access reducing car use by people travelling to the stadium."/> |
