Comments	<input type="text" value="As a Kidlington resident, I strongly object to this proposal as do a majority of Kidlington residents. Reasons are as follows:
1 Kidlington is already facing the loss of huge areas of surrounding green belt land for housing, and the proposed loss of nature and of local amenity is quite disproportionate.
2 The site is adjacent to valuable nature reserves and land of ecological value that will be irreparably damaged
3 The nuisance caused for Kidlington residents, noise, congestion and antisocial behaviour - these are perhaps the principle reasons the proposal is so unpopular in Kidlington. Nobody believes for a moment the idea that spectators will make their way to Oxford station and come up on the train to Parkway."/>
