<b>Type of Comment</b>	<input type="text" value="Support"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="This application is much needed for a city the size of Oxford. It is sensitively planned within the surroundings and its location of the A34 and near to the Oxford Parkway train station makes it ideal for a sporting stadium of this kind. While there are always concerns with environmental impact on an application of this size, it seems as though efforts have been made to mitigate the impact"/>
