Comments	<input type="text" value="I do not want this development to go ahead due to the following issues
Building on green belt - Begbroke is already being devastated with a huge area being built on.. Which I objected to but still going ahead I do not want any more large development in the area
Will my voice be heard this time???
Wildlife habitat - I do not want to see more lovely wildlife being destroyed by this development
Traffic - the roads are already at gridlock this will not help the situation. Pollution and road closures are not what I want
Air and noise pollution - the impact of all the cars and supporters will upset me

To clarify I DO NOT WANT THIS TO BE BUILT. Please listen to the people that live in the area
There is a football stadium already. Keep it where is!!"/>
