Comments	<input type="text" value="I am objecting for the following reasons;

It is being built on Green Belt land with all the negative environmental impact that will entail.
There are proposed road closures which will cause traffic chaos as well as the impact of thousands of people ascending on the area at the same time.
There is no parking so people will park down residential roads. There is no guarantee people will use the public transport. Local residents should not have to put up with the disruption that will cause."/>
