Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Oxfordshire needs this stadium not just for football, housing estates are being built everywhere please tell me where are all these people are going to go socially. I am a season ticket holder at Oxford United and just love the football but the Kassam Stadium is totally soulless and again houses going to be built I just think the stadium would be a massive asset to the area."/>
