<b>Comments</b>	<input type="text" value="I have spoken to many residents and friends in kidlington and they feel the same as our family that the stadium proposed is too close to a lovely village like Kidlington, there will be travel chaos every home game, it's bad enough without a football stadium, fans parking all over Kidlington causing resident parking issues and walking to the game so they don't have to pay or get stuck in traffic on game day, there will be trouble at the pubs and eateries from away &amp; home fans which will have to be policed costing thousands of pounds making our council tax even more extortionate than it already is, the noise during and after a game will be horrendous, people voted against it at a poll and was regarded as a success against a stadium being built so take notice of the people who have lived and still live here with some respect please, we don't want it and I'm sure they have a plan B for Oxford United to carry on elsewhere, don't keep destroying our green belt to line peoples pockets all the time."/>
