<b>Comments</b>	<input type="text" value="I wholeheartedly support Oxford's move to the Triangle. Oxford Utd regardless of whether you support them or not are as part of our wonderful county and city for over 100 years. If nothing else they deserve to continue to be able to play here and the Triangle is an unused piece of land. I have supported the yellows since 1965 and it would be an absolute travesty if they are denied the opportunity to continue playing. We are not hooligans - I am an academic - and the way they have been treated by Kassam since the move from Headington is truly outrageous. It will bring income to the area and a perfect position to use public transport. Please Cherwell Councillors don't be NIMBYS we would never ever forgive you thank you David Lewis COYYS"/>
