<b>Comments</b>	<input type="text" value="I support this proposal. It is vital that the football club builds the stadium and stays in Oxfordshire. This site has brilliant green credentials and good transport links, coupled with great facilities for use by the people of Oxford, not just football fans.&lt;br/&gt;&lt;br/&gt;I travel to games from London, so good public transport links are important to me, so that I can readily travel to the stadium by public transport.&lt;br/&gt;&lt;br/&gt;I have supported the Club for over 55 years and my late father first took me to the Manor Ground in the late sixties. He himself was a supporter for 70+ years. I have been to hundreds of games, home and away, and have seen how positive it is to be able to support a local football club, for all ages, especially children and the elderly. It is such a great community asset.&lt;br/&gt;&lt;br/&gt;The county of Oxfordshire should be proud to have a successful football club and this site is ideal to secure the long term future of our team."/>
