<b>Comments</b>	<input type="text" value="We are a family of Oxford United supporters who live in Winchester. At the moment we are only realistically able to travel by car to the Kansan Stadium. If the new Stadium is approved we will be able to get the train. Our big hope is to take advantage of the fact that it will be easy to visit Oxford city centre and the Stadium too. The site may be outside the city but the fast transport link would be excellent. Visiting fans would be able to use public transport too."/>
