Comments	<input "="" type="text" value="I need to declare an interest. I was formerly owner of Oxford United in the nineteen seventies.

I am Oxford born and bred and my wife, my five children, thirteen grandchildren and four great grandchildren and extended family members , (some of whom live in the Cherwell District), are we are all delighted to see the forward thinking plans for their new stadium .

Oxford United is creating a wonderful community hub which will inspire young people, lead the way in health promotion, provide local jobs and investment, and provide world class facilities that reflect our county's world renowned image and reputation for innovation.

The land , effectively formerly wasteland, will be developed sustainably and sensitively and, is situated next to a railway station , which will improve traffic flow for the county. The stadium will be fully eco-friendly. We all fully support the planning application. Thank you!
