Comments	<input type="text" value="The county needs a top flight football club and Oxford United are the only team that can fulfill this need.The stadium will bring jobs and much needed money into the community and local businesses. To deny the application is to sign the death knells for Oxford United football club . I now live in Devon but have supported Oxford since I was 16 (50 years ago) many of them as a season ticket holder and I go to as many matches as possible . Oxford United have fans across the country and the world and every one of them deserves to be heard and to have their voice heard."/>
