Comments	<input type="text" value="As an Oxford United supporter, the club needs to relocate to continue supplying the people of Oxfordshire and surrounding area with a much needed escape, relaxation, enjoyment in this world of turmoil.
The proposed new ground/complex isn't just for football supporters, but for the people of Oxfordshire to enjoy, it'll be a place fir people to enjoy not just football, but other events being hosted at the stadium.
I have been and Oxford United supporters for over 30 years, it needs its own home, a ground the supporters can be proud of, and by the look of the plans, it's going to look amazing, and with a station next door, Park and Ride close by, on a major road route, this is an ideal location.
The football club needs a new start, and this is a perfect opportunity to grow, and be the pride of Oxfordshire."/>
