Traffic on match days/events/concerts will be at gridlock, making access to Oxford, Oxford Parkway and anywhere South virtually impossible. This will cause problems for Yarnton, Cassington, Islip to name but a few other villages, as well as all Kidlington inhabitants.
For those closer to the " will=""/> Surely a situation with better access should be found. The A34 is already over-trafficked. Almost all traffic leaving Kidlington to either Oxford or A34 south has to go to the Sainsbury roundabout which is right by the "Triangle"."/>
