Comments	<input type="text" value="Don't let a few NIMBYs spoil world class sports facilities coming to Oxfordshire. Oxford United will die without this new stadium. It's that simple!

I come from a four generation Oxford United supporting family. The stadium is essential to everything that the club needs. I will commute to it via train from Banbury. As will everyone else I know. It will be the greenest stadium within the UK.

The stadium brings;
Hundreds of new jobs.
Much needed world class sporting facilities for the whole community to use.
Eco friendly infrastructure and carefully planned build.
Using an existing patch of wasteland not used in years.
It saves an existing community assist in OUFC.
It brings hope, prosperity and much needed improvements to the local area.
It puts Oxfordshire on the map!

Sat yes and grant that permission. I will forever be thankful and Oxfordshire will flourish. Oxford United Football Club can not die. Without the stadium, there's a really good chance it might.

I've had the best times of my life following Oxford United. I want my 2 year old daughter to experience the same thing. Football is for everyone. Families and real people. Give back to Oxfordshire and help our children live for sport. Do the right thing and vote yes!
