<b>Comments</b>	<input type="text" value="I object to the plan as it will destroy precious greenbelt which should be left to nature and the wildlife and not used for the greed and selfishness of mankind. Kidlington residents do not want this invasion on their community. Who will pay for policing of this site, who will pay for the cleaning up of the area after the fans have left their mess behind. How will they stop our village becoming congested with cars, we all know they won't be using buses and trains , this is just a ploy by oxford United. I am also worried about noise pollution the effect on the wildlife in stratified brake which has woodland trust site with badgers, deer, wildlife pond supporting wild fowl, a site much used by the community. Also how can residents get in and out of the village to get into oxford on the days they plan matches? Is it a case of cancel your hospital appointment or theatre trip etc ."/>
