Comments	<input type="text" value="I would like to support the new stadium project on the proposed sight as it's close to rail services and major roads. The club have given great consideration to minimise the impact on the surrounding areas to provide an excellent facility for the local community and the County as a whole. My family has attended OUFC games for many years and would like this to continue for many years to come. Having a professional football club in the County inspires all children and adults for a better community for all."/>
