<b>Comments</b>	<input type="text" value="I wholeheartedly support the building of a stadium by Oxford United Football Club at this proposed location. I believe that they have taken extreme consideration of the location to carefully minimise impact on the surrounding area and will be able to provide an excellent world class facility to not only benefit the football club but the wider community. The importance of having a professional sports club in Oxfordshire is massive as the pros completely outweigh the cons. This sports club motivates, inspires and creates a sense of identity to so many people. Therefore I believe it would be scandalous to not support this project that is why I fully back Oxford United through this."/>
