<b>Comments</b>	<input be="" boys"="" can="" do?<br="" else="" football="" from="" i="" inspired="" know,="" knows="" like="" play="" the="" then="" they="" this,="" to="" type="text" value="I am writing to urge you to grant planning permission for the new stadium.&lt;br/&gt;&lt;br/&gt;It's not just to keep an established, football team going. It's to give facilities the area doesn't have. It's going to give people facilities they won't otherwise get. It's going to improve the environment. It's going to give people opportunities. They've committed to the women's team playing at the same venue as the men's team. It'll provide girls more chance to play the sport they love, thinking " what="" who="" you=""/> All over the country people know about this state of the art stadium, and how it will be one of the most advanced and impressive in the country, that will bring so much to so many (Brighton's stadium brings over 50 million a year to the local economy) Are you really going to stop all this because of a bridge or a small road closure?  Other counties are proud of, and back - their professional football clubs. Don't be known as the county that kills theirs. Please back the thousands of people who want a stadium that will double up as a community asset, and not a small number of people with, sad to say, out of touch and out dated views of football fans. The benefits vastly outweigh any issues.  Please be the forward thinking council that we need."/>
