Comments	<input type="text" value="Dear Sir/Madam,
I would like to support the application of Oxford United for their proposed new stadium near Kidlington.
I think it has solid and realistic public transport links accessible by home and away fans. In place in the plans are areas of green space that can be used by the public.
I believe it could offer employment locally.
I believe Oxford united has tried hard to answer the criteria for a modern and green stadium that provides leisure facilities for the whole region .
Yours
Andrew Cobb."/>
