<b>Comments</b>	<input type="text" value="I believe it is a very bad idea and am very nervous about this project. I believe the disruption for the local residents ( such as myself and my family) will be huge. There will be total road chaos as there is no sensible plan of building new roads. In addition, I believe it will be devastating for the local environment as there is currently a green belt. I am also worried that people will park all over the place in front of our driveways and make a lot of noise. My family and I are against this plan even though we love football, play football and attend football games."/>
