<b>Comments</b>	<input type="text" value="This seems to me to be a really bad idea. The road to Kidlington is crowded already and closing a major road on Saturday is going to be a disaster for many people especially for those living in Kidlington.&lt;br/&gt;To keep the stadium where it is and where actually the main fan base is (in East Oxford not in the North) and where employment is needed and the area has adjusted to the disruption of matches.&lt;br/&gt;This also makes a nonsense of the green belt and the care that should be taken of the environment."/>
