Comments	<input type="text" value="I object to the application for this stadium in Kidlington as the traffic situation here is already beyond ridiculous at various times not least in the rush hour during term time. The parking around here is already causing problems from over development and drivers using the area as a park and ride. The area is in desperate need of decent shops and parks. The last thing Kidlington needs is a stadium for entertainment mainly for people coming from outside the area."/>
