Comments	<input type="text" value="Lifelong fan - The Manor at Headington from the age of 7 followed by the Kassam which has never been owned by the club. OUFC is an important part of the fabric of the city of Oxford. It's a huge part of many people's lives, generations within families. We need a new and sustainable home befitting of a great city, the Kidlington site looks to provide this. I support this application. Thank you."/>
