Comments	<input type="text" value="I fully support the planning for the new Oxford United stadium. This isn't just about football, this to many is part of their lives. It's what many of us look forward to, meeting friends, family and other supporters.

I for one have been supporting Oxford United from around age 8 when my dad took me to the Manor ground. Fast forward many years later and I am a season ticket holder who now goes with dad and also my 4 year son who has also fallen in love with Oxford United too."/>
