Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="An important community institution affecting 1000s of people and contributing in a positive way to the local sense of identity. More than just a sports club. We need a place to call home which benefits the wider community (not just football fans). While I understand the need for more housing, the numerous construction projects must be supplemented with culturally beneficial projects such as this. Many thanks, Tom Smith"/>
