<b>Comments</b>	<input type="text" value="Please approve planning permission for the new stadium, not just to save our only professional football club, but for all the other benefits the stadium will offer. Having grown up in Kidlington and still having family and connections there, I strongly believe it will bring benefits to the area and will bring a large economic boost to the community, not to mention job opportunities and all the amenities for the local community. The benefits outweigh any issues by quite a considerable amount."/>
