Comments	<input type="text" value="As an Oxford Utd fan, I fully support the new stadium project.
Living in Witney the new stadium site offers better transport links for me attending games so I'd no longer have to drive (as I do to current stadium)
Yes there would be a couple of negatives but the positives would far out weight any negative impacts. A new stadium would give a new buzz to not only Oxford fans but the Oxfordshire community.
A new stadium is required as the current stadium is dated and the landlord isn't keeping it up to very good standards.
This is our chance to create a new legacy for Oxford United football club."/>
