<b>Comments</b>	<input type="text" value="1. Effects on traffic in local area, including Kidlington, North Oxford, Oxford North &amp; planned new housing between N Oxford &amp; Kidlington on match days &amp; when Conference Centre being used. Also effect on major roads accessing the stadium. Unrealistic to close Oxford Road on match days or to build a pedestrian bridge for fans across Oxford Rd and the railway. No dedicated car parking despite most fans accessing Kassim stadium by car.&lt;br/&gt;2. No new cycle routes or footpaths have been built between N Oxford and Parkway Railway station despite the railway station opening in 2015 and in spite of the death of one cyclist.&lt;br/&gt;3. Contrary to Local Plan &amp; Green Belt planning policy.&lt;br/&gt;4. Stadium would remove one of the last bits of green space between Oxford &amp; Kidlington."/>
