Comments	<input type="text" value="I totally believe the new stadium will be beneficial to all of Oxfordshire and particularly Kidlington.
The country is crying out for facilities like these.
Kidlington isn't the quant village it was in the past.
It's more like a small town with nothing to do, especially for kids/youths.
I believe not only will it encourage people to use the planned spring activities but will add lots to the economy of the area."/>
