Proposal	<input type="text" value="Erection of a stadium (Use Class F2) with flexible commercial and community facilities and uses including for conferences, exhibitions, education, and other events, club shop, public restaurant, bar, health and wellbeing facility/clinic, and gym (Use Class E/Sui Generis), hotel (Use Class C1), external concourse/fan-zone, car and cycle parking, access and highway works, utilities, public realm, landscaping and all associated and ancillary works and structures"/>
Case Officer	<input type="text" value="Laura Bell"/>
Organisation Name	<input type="text" value=""/>
Name	<input type="text" value="David Davis"/>
Address	<input type="text" value="10 Bicester Road, Kidlington, OX5 2LE"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I would like to register my objection to this Planning Application. My reasons are the plans do not cover the vast influx of traffic and the lack of parking. The park and ride car park is for the public to park their cars to travel into Oxford centre, not as a car park for football supporters to merely take up the spaces on match days. The streets around Sainsburys will become a free for all to dump the cars especially by away supporters. The idea of closing the main road from Kidlington to allow the supporters to cross the road pre and after the match is totally unacceptable. This project has not been thought out as a while ago it was planned to build on Stratfield Brake but all of a sudden it is now the Triangle. The green belt between Kidlington and North Oxford is being eroded by planned housing developments that will never give affordable housing, and the stadium will only add to the reduction of green space. This Planning application must be rejected as I am sure the majority of the residents in Gosford and Water Eaton oppose this development as per the local consultation some months back."/>
