<b>Comments</b>	<input type="text" value="I really feel that this would project benefit so many people, both now and in the future decades.&lt;br/&gt;With Oxford United being such an important part of my life, this is something that will allow that to continue for the rest of my life. Without permission for the stadium being granted, this completely endangers the whole future of the club. For so many people in this county and beyond, the future of OUFC is absolutely vital for their happiness and wellbeing. It is unimaginable for the future of the club not to be secured.&lt;br/&gt;&lt;br/&gt;So much work has gone into ensuring that the stadium would be sustainable and green which is also vitally important to me."/>
