Comments	<input type="text" value="This is now a must for the club to proceed with the stadium at the triangle!
Football is a huge part of building our communities and giving opportunities. We want young generations to be inspired by our football team and want to enjoy the new stadium with all it has to offer.
Oxford United has always been and will be well supported by many of my family members. It would be destructive if this stadium doesn't go ahead, especially with a club with a history of 131 years!
Let's get this stadium built and give our team the stadium they deserve, and for us all to enjoy with family and friends."/>
