Comments	<input type="text" value="As a lifelong fan of Oxford United ,I wish to add my support to this application. I think that it is very important that the club find a new home,for the benefit of the wider community of Oxfordshire.Not just a home for the club,but a sporting hub as well for the benefit of the local community. Where ever the new stadium is to be built will understandingly impact the local community,but think the proposed site would be ideal spot ,with its access to travel links,and being on the edge of the city."/>
