Comments	<input type="text" value="Good Afternoon Council,

Firstly, Thank you for the opportunity for me to even write to you regarding the new home of Oxford United.

I am in Huge support of the move & the future of Oxford United. This has been a club over the past 20 years has brought me Joy. I have met many friends along the way & this has helped my mental health massively. I first went alone and since have made many friends as mentioned and it really has been a saviour for me. To see the amount of younger people attending match days now, who were once or are in the same situation I was in brings me peace. To take this away from all the younger generation of people, would impact the Whole county.
I really hope that everything is needed and granted for us to gain a new home.

Jake Williams"/>
