<b>Comments</b>	<input type="text" value="I am expecting that the combination of stadium traffic with the planned Oxford road diversions will result in widespread, and protracted, traffic queues on approaching roads at the start and end of most of the regular stadium events. This will have a negative impact on Kidlington residents, visiting family and friends, directly degrading access to and from Oxford, Oxford Parkway and local Kidlington amenities. I therefore object to the development of the stadium within the parish of Kidlington."/>
