Comments	<input type="text" value="I do not support the planning application. This is because:
- the intended commercial development of this size and scale is contrary to the Local Plan and planning policy for Green Belt sites
- it will destroy valuable biodiverse wildlife habitat for animals, birds, insects and fauna
- make a significant contribution to increasing the overall heat of the city due to loss of cooling green zones
- it is contrary to net 0 legal targets
- it will generate regular road closures which will cause traffic chaos and increased air pollution"/>
