<b>Comments</b>	<input type="text" value="Season ticket holder at OUFC for over 25 years, and as a local primary school teacher, I have seen the impact the club has in the wider community, especially for the younger generations. The club has also been there for me during some tough times, call it my therapy if you like!! I also have life-long friends who I've met through the club and through supporting the team over the past 35yrs! OUFC is not just a football team that people go to support on a Saturday afternoon. It's a way of life for many, an opportunity to meet and spend time with others, to switch off from everyday life for a couple of hours, to be a part of something which does so much for the community. OUFC needs a new home and I fully support the proposed move 'The Triangle'."/>
