Comments	<input type="text" value="I feel the need to object strongly on this application. I don't think the area is big enough to support the club's ambitions. If the club was to progress to a higher division the crowd numbers would grow and the parking/traffic would increase significantly. Surrounding roads would be greatly impacted including the already very busy A34. The impact on getting in/out of Kidlington on match days would be horrendous."/>
