<b>Comments</b>	<input type="text" value="My concerns are for the traffic and parking. I live close by I wish to object to needing a parking permit to park outside my home. People do not use public transport as much as they should or as much as is being proposed.&lt;br/&gt;A concern for closing the road to all traffic going about their Saturday business is ridiculous. I would like to think we can try and keep a proper gap between Kidlington and Oxford, this tiny slither will not be acceptable.&lt;br/&gt;Kidlington needs to keep its open spaces for wildlife, all the new housing developments being planned for the surrounding areas. Wildlife will have no where to go."/>
