Comments	<input type="text" value="I am totally opposed to the planned football stadium and all what comes with it. My reasons are: the mid information that has been spread by Oxford United Football Club . Road closures which would cause major disruption to through and local traffic The effect of supporters and their vehicles on all areas near to the proposed ground. There is no benefit to Kidlington village in fact it will have a detrimental effect on the whole of the area. The proposed site is an area of local interest where endangered species Inhabit. The proposed site is inadequate for the proposed plans."/>
