<b>Comments</b>	<input type="text" value="Please consider this note as 100% support for the new stadium at the triangle Kidlington. From my perspective the county needs this to secure future generations enjoyment of the only professional football team in the county. Not only does this proved a sport experience but also a sense of community belonging and shared experiences which especially for the younger generics key to development and a sense of belonging in their own wider community. I have read many views and have not seen any compelling reason to reject this."/>
