<b>Comments</b>	<input type="text" value="Oxford United is a 130 year old institution that means so much to so many people.&lt;br/&gt;&lt;br/&gt;By granting permission for the new, state of the art facility, CDC will be providing Oxfordshire with the chance to enjoy a new sport and social facility that will allow the whole community to enjoy it.&lt;br/&gt;&lt;br/&gt;The Triangle site will provide hundreds of new job opportunities, local economies will be enriched and we, as OUFC supporters, will have safeguarded a place to call home for our football club and future generations of supporters.&lt;br/&gt;&lt;br/&gt;A facility that will provide the ladies teams with equal opportunities to play at the stadium and offer equality with their male counterparts should be applauded. Meanwhile, facilities that will ensure disabled visitors needs are not diminished, should be celebrated.&lt;br/&gt;&lt;br/&gt;With terrific and unprecedented transport links in the immediate vicinity, OUFC will be able to contribute more vociferously to the Counties requirements to drive down road congestion and lower emissions.&lt;br/&gt;&lt;br/&gt;OUFC have been a constant in my life and my family that have gone before me. Oxford United is more than a football club to us, it is a way of life and of upmost importance.&lt;br/&gt;&lt;br/&gt;I implore CDC to grant planning permission for the stadium and provide Oxford United with the opportunity to thrive and continue representing our wonderful county on a national stage."/>
