Dear Sirs

I wish to oppose the above application on the grounds that I live on the Oxford Road and am concerned that on-street parking on Match Days will cause severe problems to residents of the Oxford Road and indeed residents of most of the connecting roads of Garden City.

I am sure that a 'Plan B' is possible and access to the Green Belt area of Stratfield Brake will still be made available to local residents. As a concerned resident I feel that Kidlington is not the place to plant a football stadium and all the problems it will bring.

Regards

John May
