| <b>Comments</b>           | <input type="text" value="This application must not be given planning permission. This is a local pub that is much missed and should be re-opened as such to serve the local community - which it did so before the current owners denied the village of the much-loved family pub that it was. The carpark space is needed for a carpark to the pub. The current owners should not be allowed to make further applications for them to try and squirm their way through any longer."/> |
